Our goal is to support you in achieving success by providing a reliable product at the most competitive rate we can offer. Your concepts and ideas will be fully realized and together we will cultivate strong working relationships in order to make a positive impact on the industry at large.

- Industry Professional Partners to resell and distribute iWeiss products under the 'Align' brand.
- All Industry Professionals will be issued the same pricing as one another.
- iWeiss will provide active Industry Professionals with all necessary product and branding information needed to pursue or promote any products. This includes Operation and Maintenance Manuals, Warranties, Product Cut Sheets, Image Files, Product Guides and use of logos related to the products purchased.
- iWeiss trusts that all Industry Professionals maintain qualified and safe installation and maintenance procedures when installing or operating 'Align' equipment.
- iWeiss will maintain sufficient product inventory to fill the needs of our Industry Professionals, however, all orders are subject to inventory at the time of order placement.
- All standard terms and conditions apply

iWeiss is here to support our Industry Professionals in any capacity we can.
