

## CHANNEL CURTAIN TRACK Ceiling Splice

The IWEISS Channel Track Ceiling Splice is a pair of formed steel enclosures. This functions both as a splice to join two tracks together creating a longer track. With assembly comes hardware for clamping and attachment to track.

### TECHNICAL DATA

<b>Part #</b>	IWC27
<b>Materials</b>	<b>Housing:</b> -Formed 12 gauge steel
	<b>Bolts:</b> -1/4" set screw
<b>Dimensions</b>	12"l x 5 1/2"h
<b>Weight</b>	5.9 lbs
