

IWEISS

I-BEAM CURTAIN TRACK

Low Pipe Track Bracket

The Low Pipe Track Bracket creates easy 360 degree mounting of standard I-Beam track systems to 1½" pipe. Primarily intended to attach to the lower pipe on pipe grid systems, this arrangement allows for the bottom of curtain track systems to be installed below the hanging pipe. Bracket has a black finish.

TECHNICAL DATA

Part #	P309XL
Materials	3/16" Steel Plate
Dimensions	4 5/8" x 3" x 4 5/8"
Weight	1.2lbs
